

# COLLEGE INTERNSHIP PROGRAM: SUMMER CAMP

## ABOUT THE PROGRAM

The Gibbes Museum of Art offers paid, part-time internships during summer months working with our summer camp classes. College students and recent graduates in Art/Art History, Arts Management, American Studies, Museum Studies, Communications, Arts Administration, Arts Education, Hospitality, and/or related fields are eligible to apply. Available opportunities are: Summer Camp. Students may have the option to earn college credit—check with your school administrator for requirements.

Our summer camp programs serve students ages 4 to 14 engaged in interdisciplinary activities. Camp classes are small and allow for students to engage with the artmaking process through a variety of fun themes. Interns work alongside trained art teachers for 4 or 8 weeks with opportunities to work with the Education and Programs department on other projects. Interns are paid \$15/hour and are provided a stipend for parking.
