The Tell Tale Art
3rd – 12th Grades

Every work of art tells a story. Sometimes these stories are about the people and places represented; sometimes they tell stories about the artists who made them. On this fun and interdisciplinary tour, students will use works of art in the Gibbes Museum of Art’s permanent collection to write their own imaginative stories. They will learn to look for clues in the artwork as they identify key aspects of stories like setting, characters, plot, and sequence.
